

In an effort to assist the millions of Americans who are either uninsured or underinsured, the Prescription Discount Club provides access to a national discount network of over 54,000 participating pharmacies. The PDC Prescription Discount Program aims to do its part in helping to reduce escalating medical costs. Savings through the PDC Network can range from up to 20% on brand drugs and 80% on generic drugs.

- A no-cost prescription discount program for consumers.
- Access to prescription discounts at over 54,000 national, regional, and local pharmacies.
- Always receive the lower of the pharmacies retail price or the PDC discounted price.
- All prescription drugs are included in the program.
- Savings can range up to 20% on Brand name drugs and 80% on Generic drugs.
- Average savings are 15% on Brand and 50% on Generic.
- Locate participating pharmacies and price your prescriptions at specific pharmacy locations.
- Review drug information and identify generic alternatives with our web tools.
- No drug exclusions or waiting periods to access your savings.
- No-deductibles and no maximum benefit limit.
- Card is valid for all family members.
